Twenty one hundred and sixty teens became the Billings Senior High Broncs on September 4, 1979.

At 8:30 that morning, 696 sophomores crowded into the new gym. There the seniors welcomed them with television related skits which represented the various clubs and activities that Senior affords. Then the seniors

sang and passed bottles of Coke through the thirsty audience.

The assembly ended at 9:45 and the halls were alive once again with mass confusion as the sophomores were joined by 759 juniors and 705 seniors. Voices filled with excitement could be heard as old friends saw each other after the long summer and compared

schedules to see if they shared any common classes.

Meanwhile, the annual staff was hard at work distributing annuals for the '78-'79 school year to those who had ordered them.

Senior's faculty welcomed eleven new teachers to the staff this year. When asked to comment on how the first day of school went,

dean of boys John Kosich replied, "This has been the best start in over ten years. The only thing that happened out of the ordinary was that there were no major problems to take care of."

Then the final bell rang and everyone crowded out of the building.

Some people began searching frantically

During the 1979-80 year Billings Senior took the State AA Football Championship. This was the first time in 32 years that the Broncs took State, and to follow up the year, West High took State in Basketball.

Leap year came this year, and we won't see the extra day in February until 1984.

On the political scene, Presidential elections were being held with Kennedy in the running along with Carter for the Democratic Party. Reagan and Bush are running for the Republican Party, and Anderson as Independent. Iran has held hostage fifty some persons for over 120 days. Carter finally cut off trade with Iran, and other Western Europe countries have joined in the help.

Meanwhile in hometown Billings, oil refinery workers went on strike for about three months. Gas

prices keep on rising, at the present, \$1.14 a gallon. How high will they go???

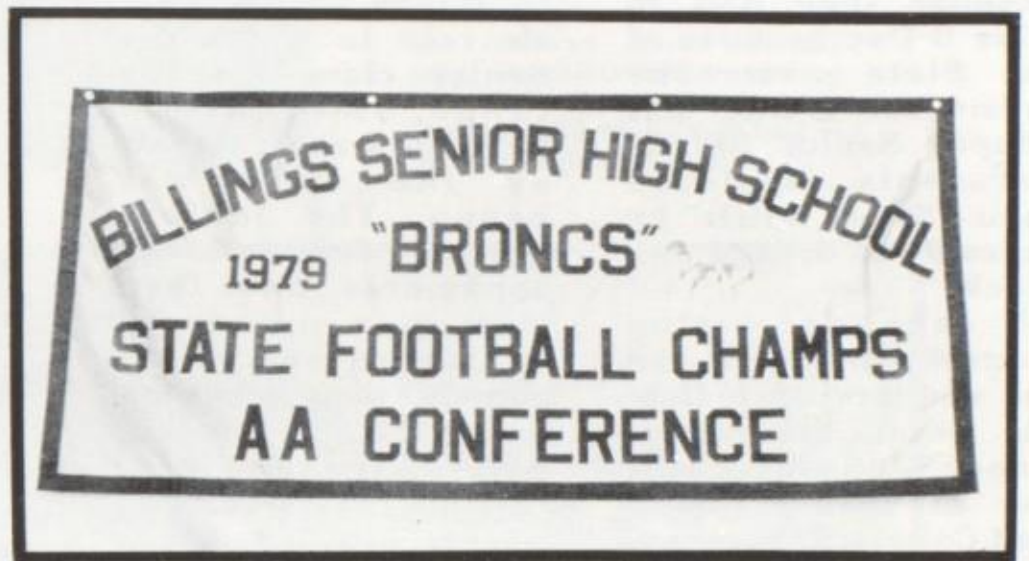

A Senior Skip-Day was held on April 18,

with some 200 boys and girls skipping, and as a result, some will have to return on May 29 to make up for the day missed.

B-DAY SHOWS SUPER SENIOR SPIRIT

B-Day begun as the students came through the doors at 8:30 a.m. on October 26, 1978. For the Boys and Girls Cross Country teams, it began with breakfast because they had to miss B-Day because of the State meet. The theme for B-Day was "Super Senior Spirit" --students displayed their "Super Spirit" by dressing in orange and black.

A cake decorating contest was held and the winners were Debbie Besel, decoration; Nancy Johnson, best use of school colors; and Colleen Thompson, originality.

An all out effort was made by student council and faculty members to sell enough B-Day tickets in order to make the 1979 B-Day a success.

After everyone had eaten, a letter was read from Student Council president Mark Thomas who was out of town during B-Day festivities. Activities continued with a tricycle race in which the Senior class literally "rode away with." Revenge was in the air as the tug-of-war began. The juniors quickly defeated the sophmores and then went on to conquer the Seniors as well. Other contests were held such as a sack and bat race between the classes.

In the car caravan an assortment of black and orange cars and trucks paraded down Rimrock to 13th Street West, then down to Parkhill and down Virginia to end up in the Senior High parking lot. Many club

along with the Senior class sponsored their own floats.

During the halftime, featuring Minnie and Mickey Mouse, and a fabulous fireworks display, the B-Day candidates were introduced

cars. After the football game and driven around the outside of the Football field in antique game, the crowd headed into the old gym to "Dance the Night Away." That wrapped up another year of B-Day activities.

B-Day celebrators ended their activity-filled day with a well attended dance in the old gym. The Martz Brothers from Phoenix, Arizona, provided the tunes for the evening. Before the evening ended, Seniors Lori McLeod and Mark Thomas were crowned B-Day King and Queen, but because of Mark's absence, Todd Preston

danced the spotlight dance with Lori. The other royalty candidates joined in the theme song dance, "I Love You Just The Way You Are." Joe Aldridge, Dave Kiehl, Kevin Reinschmidt, Joe Clevenger, Cindi Harriman, Lisa Edwards, Cindy Helmer, and Kirstan Edwards were the other candidates.

Some mornings at 9:15 you will hear raging emotion and cheers coming from the gym. The student body is showing their school spirit. They have competitive cheers between the three Senior High School classes to see who can make the most noise.

We had a special assembly this year for the football AA Class State Championship.

The assemblies consisted of a number of things, from kissing your own mother, thinking it is a cheerleader because you are blindfolded, to getting a pie thrown in your face.

To end the year of assemblies, we had a spring sports assembly.

The Career Center helps students to get a better background in various occupational fields than the home high schools can provide. The Career Center has three different blocks of classes. All through the day the students from Senior, West, and Central high schools attend the Career Center.

One of the special privileges, as well as classes, is the Student Credit Union, it's available to any junior high and senior high student in School District -2 who wishes to get a loan, establish a saving account. At the same time, it functions as a special business course in banking.

The fields available to students are accounting, agriculture, broadcasting, child services, drafting, fabrics, custom sewing, health, construction, electronics, industrial and mechanical, marketing, metals, and stenosecretarial classes.

STUCO Works Hard

Student Council, led by President, Mark Thomas, had a very busy year with many accomplishments. Each homeroom elected their own representative to attend the meetings. STUCO met on the average of once a month. Other officers

included Vice-President, Cindy Harriman, Secretary, Cindy Stiles, and Treasurer, Jeanine Jones. A few of the projects for the 1979-80 school year were having fireworks and old cars on B-Day, sending Christmas cards to

every member of the student body (including students, faculty, custodians, cooks, and aids), and sending flowers to the teachers on teacher appreciation day. An exchange day with West, Central, and Powell, Wyoming was also on the agenda.

For the first time the Billings Key Club allowed girls to enter the once all-male club.

BKC had an average number of turn out of boys, plus three girls. The girls seemed to enjoy being involved and confessed they had been treated fairly.

BKC hosts many activities each year. They sell concessions, host socials with YKC and Z Club, and do service projects.

For each Kiwanis meeting two BKC'ers are sent to attend. Socials are also held with the Kiwanis Club.

The highlight of their year came when they traveled to the State Key Club Convention in Great Falls.

The sponsors were Gary Branae and Leopoldo Gonzales. Elected by the boys for the yearly sweethearts were Leslie Baker and Senior sweetheart Lisa Edwards. The officers for the 1979-80 school year were president Robert Weinschrott; vice-president Mike Hall; junior vice-president Karl Wessel, and treasurer Doug Keene.

YKC'ers sold programs for football, occasionally changed the BSHS marquee, and ran the concession stands for the football games. President Todd Preston led the YKC'ers through the first year ever having girl members in the club. Mr. George Simek and Mr. Larry Morris were YKC Sponsors.

Pep goes sporty

The 1980 Pep Club opened the year with a picnic for all newcomers. They enjoyed promoting the football team by selling Bronc items and ushering at all the games.

Pep Club decorated houses, gave flowers, and had a reception in the cafeteria after state for the football team. They also gave cakes to all the team that went to state. Again, Pep Club was responsible for B-Day and royalty, and they had two bus trips this year one to Butte (for football) and an overnight to Helena (for basketball). The boys' basketball team was provided with secret Pep Club Pals.

This year's pep club officers consisted of; president-Kindra Pursell, vice-president-Linda Obie, secretary-Jane Butler, treasurer-Debbie Sauter, historian-Kristi Wokich, and advisor-Mrs. Link.

Clubs Have Productive year

Under the advising of Robert Landis the Bear-tooth Club was very active this past year. They have done many activities contributing to the city of the Billings and Billings Senior.

During the Fall, the club went on a backpacking trip along the Stillwater where they camped the night. One of the activities the club also enjoyed doing was skiing. In January they went cross-country skiing at Big Sky, and they stayed at the condominiums near Bozeman. During the second week in March, the twelve members went downhill skiing, also at Big Sky.

In February the clubs main plan was working on a landscaping project in front of the school. They also were working on a plan with other schools in Billings to change Zimmerman Park to its natural state.

The club was very active under the leadership of Mike McCullough and the other club officers: vice-president, Scott Dracon; secretary, Linda McKeever and treasurer, Vince Poore.

1

"Lettermens Club was very inactive this year," replied advisor Randy Morrison.

Although they were inactive, they did contribute highly, they raised money for the trophies each team brought home, and they also were active working in the concession stands.

This year Camera Club has been added to the list of Senior's many clubs. This club is sponsored by Ed Robbins, and the officers are President, Jeff Wetch; VP, Jim Willoughby; Program Director, Rob Jessee; and Secretary, Tracy Ross.

Throughout the year, the members learned about different photographic techniques, took trips to Yellowstone Park, entered photo contests, and listened to guest speakers. They also

filmed all home football and basketball games, in addition to the formals.

The library assistants work in the library one period a day for 1/2 credit. Some of their duties includes working at the check-out desk, shelving books, magazine circulation, and running errands. The library aids are very important to the operation of the library. They work with the librarians, Mrs. Morrison, head; Mrs. Pauline Jones and Mrs. Ann Walters, librarians.

FORENSICS was lead by senior, Brad Christiansen. The members traveled to several high schools for competition. On these out-of-town trips 35-38 students attended and competed in the various categories, such as debate, extemp, oratory, impromptu, and several others. Advisor Dave Warne commented that this was a successful year because so many people participated, and they had a overall record of 3-2.

Several awards were given out. Pattie Annecharico, high-point award; Brad Christiansen, most outstanding senior; Jeff Weldon, most outstanding junior; Kira Knight, most outstanding sophomore; debate team; Hall Dasinger and Dan Roam, best novice team; Dawn Mortensen, girls extemporaneous; Tony Slevira, boys extemporaneous; Tina Hedin, memorized public address; and Kim Jensen,

impromptu. Along with these awards, several unusual awards were handed out. Karl Roam was given green M&M's. Mary Gilluly received the sympathy award for breaking her leg twice in one year. Bard Christiansen received the "10" award for the number of time people laughed behind his back. Pattie Annecharico won the Space Cadet award. and Tina Lammers was awarded a paper knife. Dave Warne is looking forward to about 40 returning members next year.

Both Art and Clay clubs were determined on spreading interest and appreciation of art at Senior High this year. Anyone who was interested in art was invited to come to the meetings. Art club, under the instruction of Mr. Heins, met every Wednesday at 7:00 P.M. in room 225. Clay club met on the second Wednesday at 7:00 P.M. in room 144, under the instruction of Mr. Olson. The clubs had two very successful art sales. One was in December and the other was in late May.

The German and French Clubs of BSH both had a super time this year.

The German Club had a silent auction for their gingerbread house they created for Christmas. It sold for the price of \$25.00. Throughout the year they held skating parties and they also had some bake sales. They had a Valentines Day party too. The money that was made from the bake sales and the sale of gingerbread house went towards AFS and some went for their parties.

The German Club also took part in the International Dinner. The dinner was held on December 10, 1979 at Senior. The dinner was attended by all the different clubs and each one brought different foods that had to do with the origin of their language. The president of the German Club was Dave Opheim.

The French Club also had a fulfilling year. They had bake sales also, they too had a number of skating parties for their members. They like all the other clubs, attended the International Dinner. At the dinner they furnished food with a French background.

The French Club also sold the Valentine flowers given out on February 14, 1980. They sold approximately 900 flowers. The flower selling was a big turnout for the club. The president was Holly Worth.

1

"The Spanish Club has been very busy this year," said Darla Begger, secretary

They have had many fund-raising projects and activities: several bake sales and the May Day flower sale.

Spanish club hosted the international roller-skating party for the foreign language clubs and also took part in the International Dinner.

"Monica Bonfiglio, the AFS student from Argentina, was a great asset to the club and the Spanish Classes," stated Begger.

This year's club president was Tracie Blakeslee and the advisor was Mrs. Jackson.

"Spanish Club is not just hard work, it is fun!" stated Begger in summary.

Twelve students from the Bronc Express staff attended the National Western JEA Conference in Seattle, Washington, April 2-5.

Brian Harriman won third place in the year-book cover design, and Chris Deigert won an honorable mention certificate for the newspaper layout. Other contestants were Sue Cartensen, Lynette Bailey, and Todd Riechenbach editors', Nancy Dimich, Deb Streckel, Tom Ponich, Nick Campbell, and Clay Barnes, reporters;

Paul O'Leary, sports; and Charlie Wyman, photographer.

The All-State Bronc Express published twelve issues this year. The staff works very hard to get things done. Every three weeks, one can find them pasting headlines, developing pictures, and writing copy for the next issue.

1980 BILLINGS SENIOR IS FRIENDSHIP YEAR-BOOK

BSH Bronc Annual staff included 35 members (16 sophomores, 12 juniors, and 7 seniors) who had a very successful year in producing the yearbook.

Selected members of the staff accompanied advisor Lloyd Mickelson, March 22, to Bozeman for the State Journalism competition and returned with third overall competition. Scott Anderson and Lisa Astle placed second and third respectively in Advertising competition.

In April others of the staff traveled to Seattle, Washington, for the national competition in which Brian Harriman grabbed a third in Cover Design.

Being on the staff fifth or second period can be quite a job, but that alone doesn't produce an annual. After many nights of hard work, we hope our work is successful!

This year's musical groups were very active through out the season singing a Fall concert, Christmas concert, Spring concert, and many others.

During the Spring of 1980 four new members were chosen for the group Contempo: Jeri Halter, Margie Eichenlaub, Mary Sloan, and accompanist, Ken Potter.

There were ten members during the 1979-80 school year.

Singing at all concets were the Dukes of Harmony, Barber shop arranged group. The group consisting of 18 members, all sophomore boys, earned top marks at the Music Festival.

Of the more advanced singers at Senior, 16 are chosen in the group

call Expressions. There were ten seniors and six juniors involved in this elite male/female group. Thre were 13 seniors and three juniors chosen for the 1980-81 year.

A-cappella consists of only senior and junior girls, there are about 30 members, and they are considered a more advanced group. Julie Ziegler and Cindy

Dangerfield are the members from this group chosen to attend the Choir Council meetings. Choir Council is a group consisting of young singers, lead by senior John Gabel. They meet frequently to discuss certain matters and help the chorus department run smoothly.

All sophomore girls start as Chantrells.

2

There are about 50 members, and as seniors and juniors, the girls can then advance to higher groups.

A very interesting group, which involves comedy, is the Northwesters. There are four members, and they are a Barber shop quartet related.

Of all these groups involved in the chorus Department there are many singing talents leaving Senior, but there are many pretty faces heading towards this unique, music program held at Senior High.

The Senior High Orchestra has been very active this year. For starters, the orchestra elected officers; Cheryl Peter was elected president, Michelle Wolf served as vice-president, and Laurie Christensen held the position of secretary. Janene Smith was named Librarian and Jane Dahl became stage-manager.

The year consisted of three main concerts; a fall concert in November, a winter concert in February, and a spring concert in May. The orchestra also took part in the AA Orchestra Festival at West High and all school music assembly. In October, eleven orchestra members were selected to attend the All State Music Festival in Missoula. The or-

chestra sold, oranges and grapefruit as a fund raising project and spent the profits on a spring tour to Fairmont Hot Springs. Pete Nolen, French Hornist, was selected as the National School Orchestra Award winner at the Spring Concert in May.

The Chamber orchestra, made up of seventeen spring players, was also very active this year. They played for a bridal show, a convention at the Northern, the AFS dessert, and were featured at both the fall and the spring concerts.

To sum up the year, the Chamber Orchestra took a tour to Lewistown in May, shopping in Harlowtown and Broadus on the way back.

THE WIZARD OF OZ was double cast for many parts, as one may observe from the list of the cast.

The play had many special effects which made it appealing to the audience, such as a disco ball, multi-colored lights, and dry ice fog.

The costumes added to the overall production. The Tin

Woodsman posed a problem, but the costume turned out to be very authentic as did Toto's and the Scarecrow's costumes.

The play was directed by Mary Ann Chamberlain, while members of the BSH drama and stage craft crews did the acting, painting, construction, lighting, costuming, etc.

OKLAHOMA!

OKLAHOMA played on the nights of February 8-12 and was sold out every night. It had one of the largest casts of any of Senior's plays.

It was produced and directed by Paul Halpin. The other directors and assistants were: Robert Saltee (drama), Charles Nesbit (coreography), Mary Ann Chamberlain (technical), and Mrs. Jean Wallace (tickets and publicity).

The original version of the play was produced by Rogers and Hammerstein, March 31, 1943 at the St. James Theater, New York.

The play was about two young men trying to get the woman of his choice. Curlie, a rodeo rider, tries his best to woo Laurey but gets the cold shoulder. He finally gets her after he saves her from the clutches of the evil Judd Fry. Will Parker, a member of the sleepy Oklahoma community, runs into financial problems in his pursuit of Ado Annie. Her father wants him to have at least \$50 before he will let Will marry her. As a result of this, Will almost loses her to a traveling salesman, Ali Hakim, looking for a good time.

"Charlie's Aunt" only ran for two performances, April 18th and 19th.

The author, Brandon Thomas, wrote the comedy in the late 1800's. The first performance of the play was in 1892 at the Royal Theater in

London.

The comedy takes place over a one-day period. It is about two young men, Jack Chesney (William Mouat) and Charlie Wykeham (Bob Durden), who are planning to get married but

the mean, miserly Stephen Spettigue (Karl Roam) will not let Charlie marry his daughter, Amy (Jane Dahl).

Jack has similar problems because Kitty Verdun (Glenda Badura), his prospective wife, is the ward of Spettigue.

The two suitors engineer a plan to turn Spettigue's head. It is Charlie's rich aunt, Donna Lucia d'Alvadorez (Clara Soto). They know that Spettigue will let his daughter and ward marry if he can get his hands on Miss d'Alvadorez's money.

However a problem arises when Charlie's aunt does not show up, so the two young men shanghai Lord Francourt Barberly (Hal Dasinger) and dress him to look like a lady. Donna Lucia shows up though and things really fly. But the story has a happy ending, all except for Spettigue who loses his daughter, his ward, and his prospective rich wife.

Christmas around the world

The AFS Follies, held December 5-6, were put on to the theme, "Christmas Around the World." Santa and his elves, Rudolph, and Frosty the Snowman made their appearances throughout the show. The Humanities Dancers, an annual feature in the show, waltzed and jitterbugged to Christmas music. The Follies included a juggler, and singing acts such as the

Michelle Wolf-Lisa Edward duet, and Japanese songs by Japan's AFS'er Mabo Hoshima. Unique features included disco dancers Patty Wheeler and Clara Soto, and several comic skits. The show highlighted the AFS crew with past, present and future AFS'ers telling of their experiences and singing. Z Club once again sponsored a successful program.

The Varsity and Colt Cheerleaders tried a new system this year. Instead of the traditional 4 Colts, 5 Varsity football, and 5 Varsity Basketball

cheerleaders they had 10 Varsity with no specific sport and 8 Colts cheering JV and Colt sports. This system seemed to work well because it allowed the varsity to cheer all ten. The 22 girls, under the supervision of Katie Link didn't do anything tremendous in the department of money making since they had funds left over from the previous year.

Amy Link, Kathy Krueger, and Janet

Holden went to Cheney, Washington in August to a camp. They brought back a lot of new ideas.

Being energetic and sick of the traditional traveling provisions, the Varsity girls proposed an idea to the School Board allowing them to ride the team buses when room was available. The outcome of this will come in the near future.

"This was one of the best group of girls I've seen at Senior." commented Link.

The highlights of the 1979-80 season were State Football, of course, and the super spirit that the school displayed!!!!.

Girls Strive For Goal

The peak of their season came at the end, just in time to take fifth place in the State Cross Country Meet in Great Falls. Senior Deb Steckel was named "most valuable runner" and had the honor of being named to the All-State First Team.

At a banquet on November 12, the title "most inspirational" went to the five girls on the State Cross Country Team: Carol Tipton, Debbie Desjarlais, Kathy Kidd, Zinda Fredrickson, and Tracey Wuertz. To celebrate their accomplishments, a casual retreat was taken at a cabin at East Rosebud. The girls cross country teams' feet brought them a feat.

Though the girls' cross country team's record this season was 2-5, they fared well at invitational meets, placing third in the M.S.U. Invitational and second in both the Anaconda and Billings Invitionals. Members of the Varsity team were sophomore, Debbie Desjarlais; juniors, Kathy Kidd, Carol Tipton, Zinda Fredrickson; and seniors, Tracey Wuertz, Julie Williams.

Members of the J.V. team were seniors Mary Gilluly and Michelle North. Managers were Pam Fifer and Dawn Paffrath.

Boys cross-country jogged off to a good start. They won four of their seven dual meets and lost two meets by a margin of one point where both meets could have gone either way. The team consisted of five seniors, two juniors, and two sophomores. Head coach Bob Schwarz had them running circles from Senior and back in the wee hours of the morn and eve.

At the State meet, senior, Shawn Wilks took 18th, for the highest finish for the BSH team. The team as a whole placed 9th.

Coach Schwarz was asked about the most valuable runner on the team and he said, "Even though Shawn Wilks won more races, I think Roy Morledge was the most valuable runner we had. He keyed most of our dual wins." Other Bronc harriers winning awards were seniors Pete Taylor and Pat Kenney. Taylor was the most inspirational runner, and Kenney was the most improved.

The 1979 season for girls varsity basketball was a good one under the coaching of George Day.

The Broncettes had more wins than any other year since 1974. It was their first win ever against CMR, 51-44, and their conference win over West High, 40-36.

The most valuable player of the year was named as Lori McLeod. McLeod was also selected for second team all conference in Southern "A" division. Leslie Veatch and Dawn Linscott were named most improved players for the year. Kim Handly was the only sophomore chosen for the varsity team, and that was for the conference.

Coach Day was quoted as saying, "The girls returning next year can look forward to improving upon the accomplishments of the class of the 1980."

Randall tops JV

The 79-80 Girls JV Basketball team finished their roundball season with a very impressive 7-9 win-loss record.

Marlene Randall took top scoring honors followed by Lynn Bitney and Tonni Unruh. Randall also led the assist column and was voted most valuable player of the team. Kim Handley pulled down the most rebounds and was voted the most improved player on the team.

Kelly Deide was pro-

bably the best defensive player the young Broncettes had this year. She lead the team in the most steals. Lisa Lavinder turned the ball over the fewest times during the season. Theresa Olson and Kelly Reed were two of the best shooters on the team as Olson had the hottest shooter from the free throw line.

Many of the girls will be playing varsity ball next year. These girls should provide a very enjoyable season.

Billings Senior High Broncos couldn't have asked for a better ending to their season. They finished with the State Championship, which was something Senior hasn't been able to do for 32 years. They worked hard all year and ended with their final goal.

Throughout the season, the Broncos played excellent football. One of their victories was a very impressive win over crosstown rival, Billings West.

They suffered one loss to Butte which went into overtime. Butte upset Senior 15-8. The Broncos had to beat Missoula Sentinel two times in a row to get to the State Championship game. They beat Sentinel in the last regular season game 28-20. Then they had to face the Spartans in the play-off game. In this game, they didn't have as hard of a time as they did their first game. The Broncos won the play-off game 17-0. The season was brought along by many of the outstanding players on the team.

Four of our players made the All-State team. These players were Bart McCool, defensive end; Bryan Compton, half-back; Bret Frye, quarterback; and Toby Lindsey, tight-end.

Even though the team had many seniors, they also has a lot of depth. Senior can look forward to another fine season in 1980. A repeat of the 1979 season could be in the offering.

After 32 years

WE'RE NUMBER ONE!

The Broncs showed how great Senior really is by winning the State Football Championship for the first time in 32 years.

On November 17, 1979, at 1 p.m., over 9,000 people gathered to watch as the Broncs began the championship game against CMR, a game which was to prove the ultimate power and spirit of the Billings Senior Broncs. The first touchdown was made by the Broncs and everything seemed to be in their favor, but CMR began a vicious attack on the Bronc goal; by halftime, the Broncs were down a disheartening 21-7.

Coach Alberta brought out a different Bronc team the second half that did not back down to the Rustlers. The defense, lead by end Bart McCool, tackle Jon Rogers, middle linebacker Joe Aldridge, and end Tex Sikora surrendered only one touchdown in the second half.

The bronc offensive

unit, led by Bret Frye then began a 27 point rally against the Rustlers which ended in a Bronc victory as the winning touchdown was scored with 1:21 remaining in the fourth quarter. The final score was Broncs-34, CMR-28.

All the previous week, spirit had been at a high among the students at Senior. They painted huge signs proclaiming their support for the Broncs and hung them on homeroom doors. Mark Thomas and Todd Preston even went so far as to paint a good many of the windows.

To further show their support, most of the Bronc fans showed up for the game clad in black and bright orange.

Ever since the beginning of the school year it has been rumored that this is the "Year of the Bronc." By winning the State Championship, the Bronc football team has made this rumor a reality.

The Senior High football team had a satisfactory 4-4 record this year. Although the season had some losses, the team had many outstanding players.

On offense the outstanding players were Steve King, running back; Steve Schreiner, split end; Ken Peel, guard; Steve Nikodym, split end; Arnold Swanke, guard; Ken Blackburn, center; Scott Frye, quarterback; Robbie Schieno, quarterback; Tony Achten, running back or defensive back; and Sean Phelps, tight end.

On defense the outstanding players were Randy Konzen, defensive end; Royce Hunter, nose guard; Leo Jensen, defensive tackle; Wayne Corneliusen, defensive back; Jeff Parker, defensive end; Charlie Hamilton, middle linebacker; Matt Hense, linebacker; and Lance Martinez, linebacker.

The highlight of the JV season was the 6-0 defeat over West. Coaches Jim Kohles and Jim Gomendi said they saw "a lot of improvement in all of the people."

The 1979 sophomore football team ended the season with a satisfactory 6-4 season.

Head coach Ralph Moerer said that only 1 of the 4 losses was to a sophomore team. The rest were to J.V. or varsity teams. One of those losses was to Tongue River. Tongue River is a class B School and the Colts put up a good fight against the varsity squads, losing 28-0. The highlight of the Colt's season was their finish. They defeated a tough Great Falls Public team and came out victorious against their cross town rivals, West Cubs, 19-13.

Tom Ponich filled the job of quarterbacking the team very well. He ran the offense with strong leadership. The scoring department was spread out between

Ray Barker, Willie Best, and Kevin Vincellette. Rick Croy was the leading receiver of the team. Bob Whitmer and Cody Fisher were outstanding linemen that blew the holes open for the running backs.

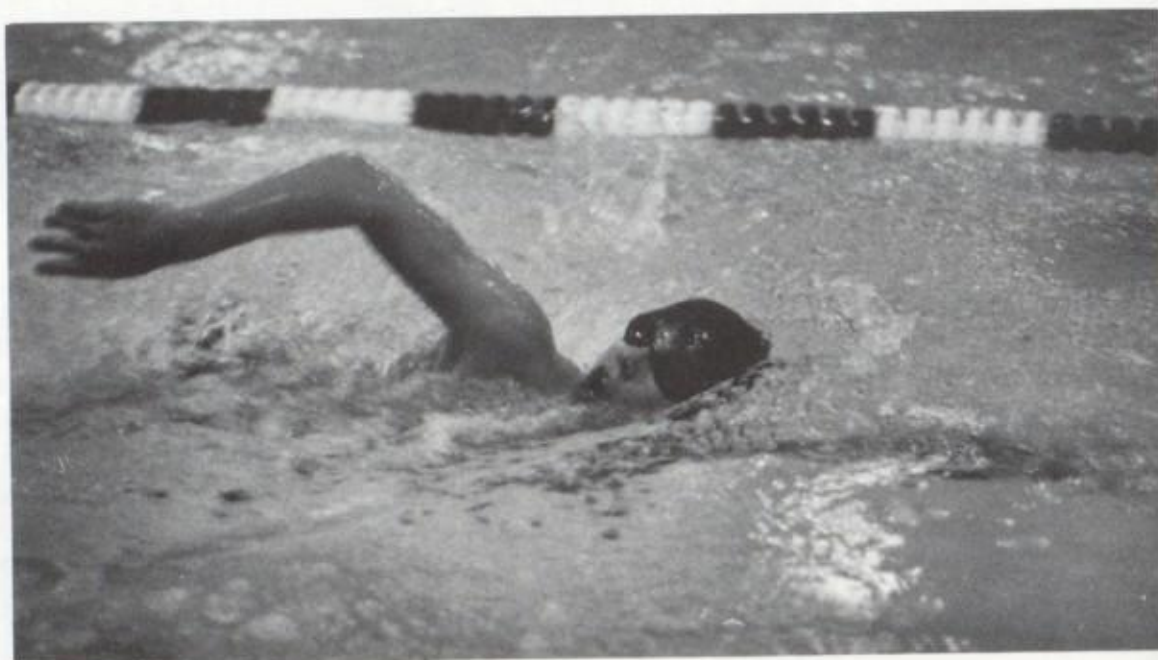

On the defensive side, Scott Kufeld was a hard-hitting linebacker that would not back down from anyone. Dennis Iverson and Jeff Myaers were two defensive halfbacks in the same category of Kufeld. The outstanding defensive lineman was Tracy Daniels.

Forty-five players finished the regular season. Moerer indicated that 20 of them were capable of playing varsity ball next year, "If they have the determination!"

Being the wrestling coach for the Billings Senior High Broncos can be a very interesting position. In the locker room or on road trips, Coach Tom Hauck and

Assistant Coach Gordon Schlabs can be over heard saying, "You're how many pounds over weight?!" or "What do you mean you left your head gear and shoes back in Billings?!" (Barker) However, they must enjoy it because they keep coming back for more each year. The Bronc wrestling team consisting mostly of under classmen, cranked out a 4-12, win-loss season. Competition for the 12 Varsity positions, ranging from the 98 lb. class to the heavy weight class was tough, with 21 wrestlers fighting to fill these spots. Joe Clevenger (Sr.) wrestling in the 126 lb. class,

led the team and boosted his own career with a second state championship. Clevenger along with Wes Smith (Jr.) in the 185 lb. class were voted outstanding wrestlers by their team members. Smith placed third at state after competing the year with the best individual record on the team. Junior, Randy Krebill and Sophomore, Stacy Emmett were elected most improved wrestlers through out the season. For the upcoming season there will be 8 returning lettermen. Coach Hauck commented, "Things look BRIGHT for next year!"

Starting slow on the season, the J.V.-Soph wrestling team had only six members with previous high school wrestling experience. Because of the inexperience the wrestlers had a rather unsuccessful first half season. Under the coaching of Jim Kohles the team was worked into a winning team by the end of the year.

After losing their first five duels they finished the season by winning four of their last seven duels. Kohles credited the improvement to all the experience the young wrestlers received after participating in various tournaments throughout the state. Coach Jim Kohles commented, "I expect many of the J.V. wrestlers to fill in on the varsity team next year."

Determined and strong, and under the hard working efforts of Coach Sam Matthews and Assistant Coach Michelle Cavan, the overall feeling was good and confident going into the State meet. Unfortunately the top place finish was out of reach as Senior all-arounder Nancy Wilson was injured at the start of the meet and unable to complete competition, which dropped the Broncettes to a 4th place finish. Still, individual bright spots were accomplished- Lori McLeod placed 4th on vault, 4th on balance beam, and 6th on floor. All in all the 1979-80 boys gymnastics team had a very good year. They won the Billings Invitational and they also beat the cross-town rivals of West High in their only dual meet held at West High. They placed second in the divisionals and second in state even though there were many injuries and illnesses.

There was a strong group of sophmores who tried very hard but weren't quite good enough for the varssity team, but there's always next year.

George Grossi, coach, said, "The highlight of the season was Houston Smith winning all-around champion in divisionals." In addition to the all-around title Smith placed second in all-around state championships. He also placed first on the parallel bars and still rings, placing third in the floor exercise and second on the high bars.

Voted most valuable was Houston Smith, senior, most inspirational is Dave Robson, senior, and most improved is Chip Palmer, junior.

Broncs drop two to Bears

The West High Bears extended their winning streak to three games by taking both games of the cross-town rivalry between the Broncs and Bears.

The Broncs did not surrender willingly, nor did the Bears relax for a moment in their first meeting. West figured as a big favorite going in and for most of the first half they lived up to their billing. They managed a nine-point advantage at the end of the first quarter and built that lead to twelve at the intermission. They came out just as strong in the third quarter and held an eleven-point lead at the end of the quarter, but they could not put the Broncs away. The Broncs fought like true champions through the whole fourth quarter and faced a 58-56 deficit with a little more than a minute of play. They shook guard, Bryan Compton loose for a layup, but the 5-11 senior could not get his shot to drop. Then in a scramble underneath Senior's basket, West's all-state guard, Steve Colberg, came up with the loose ball and put the Bears up by four with :39 seconds left. West's Mike Bender then got fouled, but

he missed the free throw and with 8 seconds showing on the clock, senior guard Kevin Reinschmidt, brought the ball down the court and hit a two-pointer. That was not enough to beat the Bears. Final score: Bears 60-Broncs 58.

The second meeting between the two teams was a complete turnaround. The Broncs grabbed the first half advantage with some very hot shooting from Compton and the rest of the squad. They connected on 16 of their 26 attempts to take a 32-24 half-time lead.

"We did what we

wanted to do the first half," Bronc coach Randy Morrison said. "We took them out of their zone defense into a man to man. That's what we wanted to play. But, we did not run the offense the way we planned in the second half."

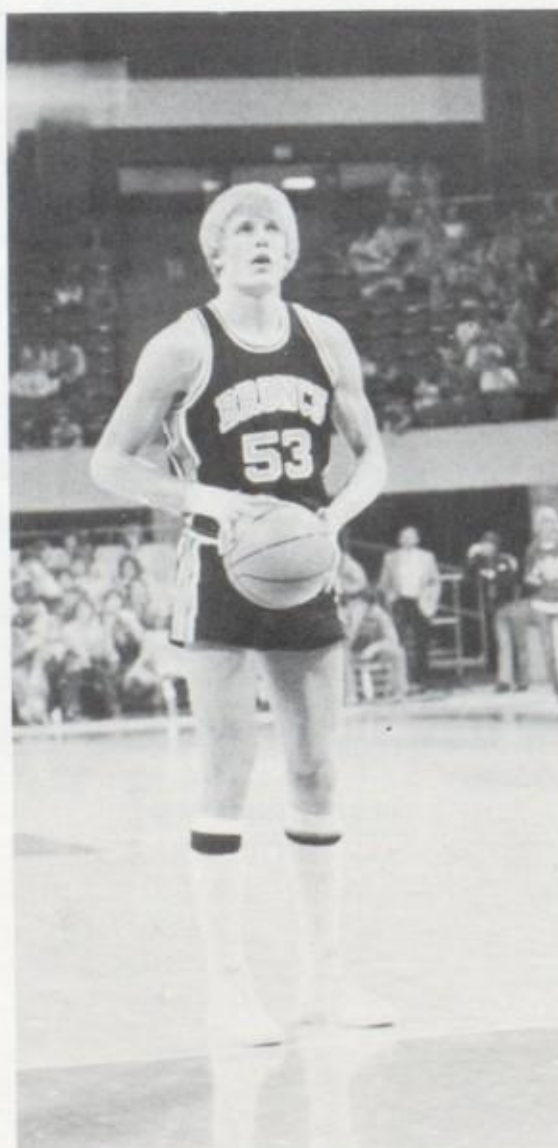

The first two minutes of the third quarter did not give an indication of what was to come. Shawn Wilks got inside the Bears' defense for an early field goal and a 34-24 lead. West got the two points back on a rebound basket, but Compton put the Broncs up by ten again with his own rebound basket.

It was at that point

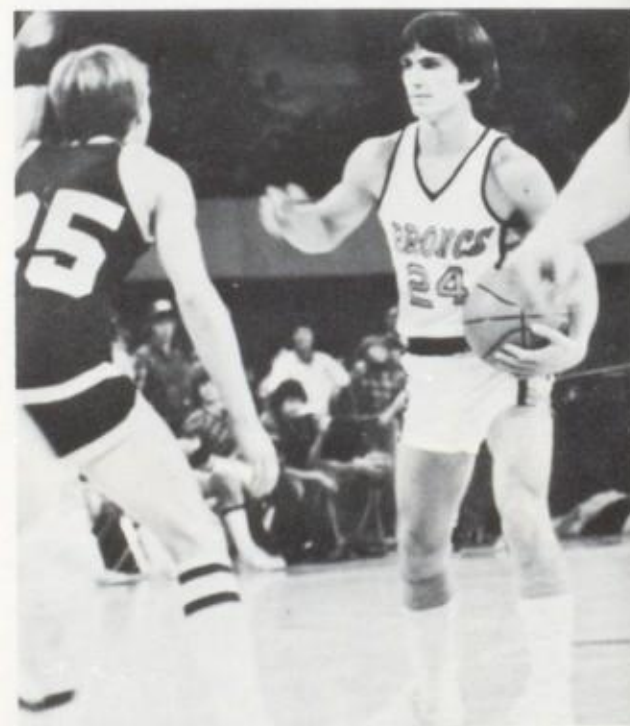

West turned the game around. The Broncs did not score in the final five and one-half minutes of the third quarter. The Bears pulled close with a string of free throws and finally took the lead permanently with Steve Colberg's bucket and another pair of free throws. With 30 seconds left West was up 47-43.

Bronc junior guard-forward, Bob Maier came down the floor and hit a long jumper with 15 seconds left in the game, and West successfully got the ball down the court to run the clock out. Final score: Bears 51-Broncs 46.

Wait till next year!

The Broncs, coached by Randy Morrison, finished with a 7-13 season. "We had some rotten luck," commented Coach Morrison. The recipient of the MVP Lazetich Award was Keven Reinschmidt, and Most Improved player was Bob Maier. Maier was also chosen for the All-Thournament and 2nd Eastern Division Teams. Honorable Mention for the 2nd team Eastern Division was Keven Reinschmidt. Chosen for the All-City team were Shawn Wilks and Keven Reinschmidt.

Recipient of team awards were Bart McCool with Best field goal percentage; Shawn Wilks, best free throw percentage; Jon Tanner, most rebounds; and Bryan Compton with themost assists.

Girls Swim Hard

The 1980 girls swim team, with many inexperienced sophomores, took tenth in the state meet held in Great Falls. Sophomore, Val Sos, picked up the only three points for the team after placing fourth in the one hundred breast. The medley relay (Theresa Olson, Maura McDonough, Jennifer Patterson, and Val Sos) made it to finals but did not place.

The girls did not take first, as a team, throughout the season, but there were many first place individual finishes throughout the year. "The girls tried hard all season," said coach Cindy Allen.

The team consisted of ten sophomores, two juniors, and two seniors. The only returning swimmers were senior-Barb Oblander, junior-Jennifer Patterson, both varsity letter holders, and junior-Dawn O'Dea.

This year's coach, Cindy Allen, swam for Senior in 1975-'78, and was on the team that took the 1975 State Championship.

The 1980 boys swim team, with the help of 12 sophomores, 5 juniors, and 9 seniors and under the coaching of Larry Phelps, won 7 of their 10 meets and took fourth at the state meet in Great Falls. They were just 2 points away from the third place trophy.

They had four individual state finishes and two relays. Dean Heizer placed in two individual events and was on one of the winning relays. Heizer had a first place finish in the 100 back. Other state places were taken by Scott Kufeld, Darryl Rowe, and Charlie Hamilton placing third in diving. The relays consisted of Dean Heizer, Darryl Rowe, Scott Kufeld, and Craig Sukin for the 200 medley relay; Darryl Rowe, Matt Lynde, Jason Jarrett, and Gary Loos for the 400 free relay.

Broncs Break State Records

1

The boys varsity track team had a very successful year finishing with 6-1 record, and a third place finish at the divisional tournament. Although a few of the meets were rained on, it didn't dampen the Bronc spirit. Outstanding members of the team this year were MPV Shaun Wilkes, and Bart McCool, field MPV. Two records were broken this year in the state meet, one by Shaun Wilkes. He was the first Montana high school student to run the 880 under 1:55. His time was 1:54.7. The second record breaker was Bart McCool. He scored a 45'2½" on his triple jump beating the previous record of 44'8½". The Broncs took 4th overall at state.

The boys JV track team, coached by Ralph Moerer, finished the year undefeated with one meet cancelled because of weather. Some of the outstanding members were: Rick Croy in the 440 relay and the 880, also John Fryett in the 440. They eventually competed for varsity. Others included Jim Beadnell in distances, Ron Dennis and Brian Overfelt in hurdles, Chris Heizer in 880, Arlen Schmalz in the running events, Bob Witmer in weights and many others. Coach Moerer said the team overall was a good group of guys and is looking forward to working with them as varsity performers.

The girl's golf team played fairly well this year, although they did not place in meets. Coach Cox feels the girls will improve greatly by next year's season.

The underclassmen dominated the team this year.

After the rain in Butte and snow in Fairmont, which cancelled the tournaments, they had a beautiful day at

Valley View Golf Course in Bozeman. The tournament at Valley View was between Billings West, Billings Senior, and Bozeman.

Tricia Schmidt came back with fifth place; Kari Altimus placed eighth. The other finishers were Julie Hitch, Dawn O'Dea, and Toni Schmittou. They place third behind Billings West and Bozeman respectively.

GOLFERS TEE OFF

Senior High's golf team had a late start in practicing this season due to the snow. They had returning lettermen from last year. The team had four seniors, two juniors, and one sophomore. The tour-

nament at Valley View, a triangular between Billings West, Billings Senior, and Bozeman, proved well for the BSH boys as they took a strong second behind highly ranked Billings West. West scored 313

points as Seniors followed with 316. Jerry Pearsall, junior, took 13th in State. He was rewarded with Most Outstanding for BSH team. Brad Christiansen, Senior, received Most Improved.

Girls take State

2

This year's girls tennis team was comprised of two seniors, six juniors. The backbone of the team was Rayne Lamely and Nancy Dimich.

Janet Holden and Kim Speed were the only Seniors on the team, and they played very well all year, but they failed to qualify for the State meet. Carol Tanner and Laura Roberts are a promising doubles team and will be returning next year.

During the Billings Jaycee Invitational, the girls placed first. First place was also taken in the Helena Invitational, Great Falls Invitational, and second place was taken at the Divisional at Eastern. The girls tennis team also took State.

4

This year's Boy's Tennis Team consisted of five Seniors, three Juniors, and one Sophomore. People came from all over the world to play on the team this year-Mabo Hoshima, from Japan; Tony Lewis, from New Hampshire; Robert Northcutt, from Georgia; and LaVern Baele, from Illinois. Although this year's accomplishments were fair, the team had a lot of fun. At the Billings J.C. Meet, Jim Shesne came in fourth in singles, and Mabo Hoshima and Tony Lewis were third in doubles. Dick Hoefle and Jim Shesne came in second in doubles at

6

the Great Falls Invitational. At the Eastern Divisional Tourney against Bozeman and West, Tony Lewis and Dick Hoefle were the only State qualifiers. They won the first match and lost the next two. Mabo Hoshima and Sam Smoot almost qualified. Awards were given to Dick Hoefle who was named "Most

Valuable" and John Knuff who was named "Most Improved." Mr. Klarich stated, "This year was pretty successful because of the fact that the team had to be rebuilt, and next year it will be pretty lean because of the Seniors leaving, unless more Sophomores join the team."

The 1980 Junior-Senior Prom was held May 10 at 9:pp p.m. in a beautifully decorated old gym. Juniors spent many hours of hard work decorating the walls with ocean paper, putting streamers up, and adding such touches as palm trees, refreshment booths with punch and tropical fruit, and a fountain. A prankster surprised Prom-goers with a pink smoke bomb that tinted white dresses and tuxes. Tracey Wuertz

and Shawn Wilks were crowned Prom Queen and King and shared a spotlight dance with everyone to the theme song, "Sail On." Other candidates were Stuart Hoiness, Kevin Eames, Pete Taylor, John Gable, Aileen Schottlander, Becky hartman, Jeannine Jones, and Carla Greenfield. Everyone seemed to have enjoyed themselves, and the good turnout made Prom an overwhelming success.

3

This year's commencement saw a large number of graduates, 647 in all. It is one of the largest graduating classes that has come from Senior for a long time.

The proceedings were held at Yellowstone METRA and the acoustics were very bad. This year, balloons were dropped from the ceiling of METRA.

The Invocation, given by Jeannine Jones, was followed by the Expressions who sang a song summing up the occa-

sion well. It was about the beginning of the graduates' lives.

Leo E. Wohler, from the class of '57 and assistant principal at rival West High, gave the address. He started with a bad joke about the moon. Next, he talked about the decisions that we must make about the government, college, careers, and all of the things in life that everybody must face. He emphasized the need to get along with everybody else.

Jan Miyagishima

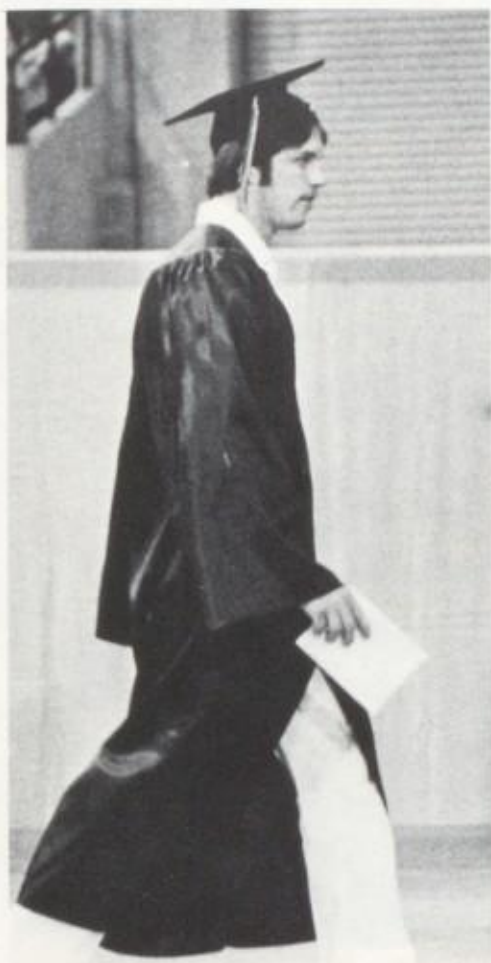

presented a plaque to the class of 1915, from the Senior Class. She also introduced the seven members of the class who attended the 1980 ceremonies. They were Anna Jeanette Cheeseman, Leonard Cornelius Hays, Paul Oscar Nilson, Frank Savaresy, Jr., Dorothy Bernice Schock, Azellah Willson Yegen, and Peter Trepp Yegen, Jr.

Finally, the benediction was given by Doug Keene. The audience had trouble hearing him because of the poor sound system and the enthusiasm of the graduates.

**This year,
13,200 high school
seniors will graduate
into the world.**

MORE POWER TO THEM!

Each year, 192 high schools in Montana, public and parochial, graduate about 13,200 young men and women into schools of higher education or into jobs. Whichever road they follow, nearly all of them eventually will form new households and/or go to work, either for themselves or someone else. Whatever the case, they will need more energy. This generation is keenly aware of how important energy is to produce and conserve.

Adequate energy is essential to create and maintain jobs. It's essential for continued high productivity of American industry. Energy helps clean up the environment, produce and process food, and removes much of the drudgery from our work at home and on the job. Energy is valuable. Let it be there when our graduates need it to assure their future. Please use it wisely.
